Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**STATEMENT REGARDING UNINTENTIONAL
ABANDONMENT OF APPLICATION**

Sir:

Applicants submit herewith a petition for revive the above-identified application for approval. Applicants state that the entire delay in filing the required payment of the issue and publication fees due on July 8, 2005 was unintentional.

Applicants' attorney changed firms in June 2005. The Notice of Allowance dated April 8, 2005 was mailed to Applicants attorney's old firm. Applicants' attorney subsequently received a Notice of Abandonment dated September 21, 2005 at the new firm. After checking records to ensure that the issue and publication fees were not previously paid, it was determined that the required fees were mistakenly and unintentionally not paid when due.

A check for \$3,200.00 is enclosed herewith to cover the petition, issue and publication fees. The Commissioner is hereby authorized to charge any necessary additional fees or credit any over payment to Deposit Account No. 10-0100 (Docket No. NOKIA.04US).
